

INVEST in JUSTICE TODAY

2022 Investing In Justice Campaign

Everyone deserves equal access to justice. For the 16th year, Chicago's legal community has once again shown great leadership through the CBF Investing in Justice Campaign, making it possible for tens of thousands of people in need to get critical legal help. The Campaign proves that lawyers and other legal professionals can have a huge impact when we come together around this cause, helping build a fairer, stronger, and better community for everyone.

Our thanks to 2022 Campaign Chair Carrie Di Santo of CME Group, to the Campaign Leadership Team, to the thousands of individuals making personal contributions, and to the more than 130 participating law firms, corporate legal departments, and other organizations.

Join the Campaign and invest in justice today at chicagobarfoundation.org.
