JUSTICE PEOPLE DESERVE, NOT JUST WHAT THEY CAN AFFORD

Campaign
2023

In the 17th year of the Investing in Justice Campaign, Chicago's legal community has once again stepped up to ensure that legal help will be there when people need it. Together, we have made it possible for tens of thousands of people in need to get critical legal help. The Campaign proves that lawyers and other legal professionals can have a huge impact when we come together around this cause, helping build a fairer, stronger, and better community for everyone.

Our thanks to 2023 Campaign Chair Amy Manning of McGuireWoods LLP, to the Campaign Leadership Team, to the thousands of individuals making personal contributions, and to the more than 130 participating law firms, corporate legal departments, and other organizations.
