

Invest In Justice Today

Investing In Justice Campaign 2024 Justice People Deserve, Not Just What They Can Afford.

Everyone deserves equal access to justice. For the 18th year, Chicago's legal community has once again shown great leadership through the CBF Investing in Justice Campaign, making it possible for tens of thousands of people in need to get critical legal help. The Campaign proves that lawyers and other legal professionals can have a huge impact when we come together around this cause, helping build a fairer, stronger, and better community for everyone.

Our thanks to 2024 Campaign Chair [Robert Rivkin](#) of United Airlines, Inc., to the Campaign Leadership Team, to the thousands of individuals making personal contributions, and to the more than 130 participating law firms, corporate legal departments, and other organizations.
