The Chicago Bar Foundation

As the charitable arm of the CBA, The Chicago Bar Foundation brings the legal community together to improve access to justice for people in need and make the legal system more fair and efficient for everyone.

The CBF's mission recognizes that taking a leadership role to ensure equal access to justice is our common cause as a profession, and that we can make a distinct impact in advancing that cause by the legal community coming together through the CBF.

Thousands of lawyers and other dedicated individuals, more than 200 law firms and companies, and many other committed partners make the CBF's work possible. Thanks to that strong leadership and support, the CBF awarded more than \$4.7 million in grants last year and continues to play a lead role in a number of innovative access to justice initiatives.
